Doris Gullotta, Hanover Master Gardener Association
 c/o Virginia Cooperative Extension, Hanover County
 13015 Taylor Complex Lane
 Ashland, VA 23005

Dear Ms. Gullotta,

On behalf of the State Office of the Virginia Extension Master Gardener Program, I want to extend a heart-felt thank you for Hanover Master Gardener Association's commitment to making the 31st annual Virginia Master Gardener College this June a success.

It is the vision of the Virginia Extension Master Gardener College Advisory Team to provide an affordable annual educational and networking forum for our volunteers that offers exceptional speakers, tours, and workshops in an engaging location. Your generous Association Sponsorship of \$250.00 helps make that vision a reality by offsetting costs associated with coordinating and executing Master Gardener College. In short, your donation is helping make Master Gardener College happen!

As we continue to grow the Virginia Extension Master Gardener College experience, please know that partnerships with our sponsors are vital to the success of the program. You are truly appreciated, and without the support of Associations like yours, we would not be able to offer this level of quality education at MG College at such reasonable prices.

Again, you have our sincere thanks for supporting MG College and helping to make it a premiere educational event!

Kind Regards,

John Freeborn
 Assistant Master Gardener Coordinator
