

Hanover Master Gardener Plant Clinics

Improving Engagement with the Public

**People see a booth
with a tablecloth,
some papers, two
people sitting there,
and walk right by –
opportunity for
engagement missed!**

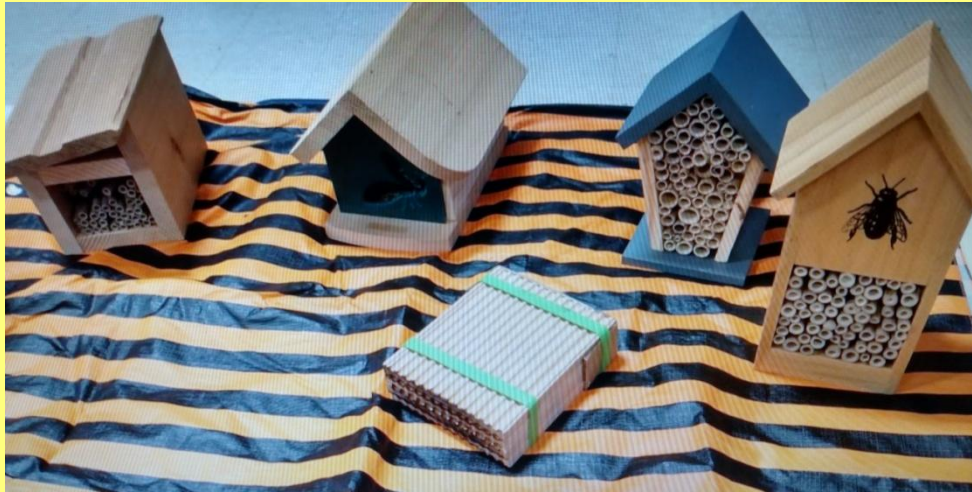

What if we add something more interesting to the display and challenge passersby to check it out?

**Plant clinic at
Lowes with
square foot
garden demo**

HANOVER
master gardeners

As part of their training, MGs present a final project. Some become part of available demos for plant clinics

mason bee nest boxes

Examples of Plant Clinic Displays

Model Coldframe

Waterwise House

Montpelier Plant Clinic with Model Compost Bin Display

Hanover Tomato Festival

**Master Gardener Grown
Tomato Varieties on Display**

Adding Displays and Demonstrations

- Draws attention to plant clinic booths
- Gets the conversation started
- Increases public awareness of Hanover EMG work in community
- Stimulates more questions
