

VMGA Board Meeting
Williamsburg – February 9, 2019

DIRECTIONS TO REC CENTER (This is the same location where the SE District training was held on Nov 15.) The address is 5301 Longhill Rd, Williamsburg. Breakfast goodies will be available by 9:30 that day. Looking at the building, we will be in the part farthest to the left.

From North and West, take exit 234 off of I 64-E onto 199. In about three miles, take the Longhill Road exit, then left at top of hill onto Rt 612 for .1 mi and bear right on Rt 615. At the first left, turn into the Rec Center. This is right across from **Eastern State Hospital**, which is well marked.

From South and East, take the exit off of I 64 W for Rt 199. Go approximately 5 miles to the exit for Longhill Road. At the top of the hill, turn right onto Rt 612 for .1 mi and then bear right on Rt 615. At the first left, turn into the Rec Center. Following signs that say **Eastern State Hospital** is helpful.

We are pleased to offer a one-hour tour of the Williamsburg Botanical Garden at the conclusion of the board meeting. The location is only a short distance away from the rec center. Please indicate your plans to attend on the lunch portion of this form....or email me at mriddle@cox.net if you are not ordering food.

(all telephone numbers are in the 757 area code) Some have breakfast included. You may wish to go through expedia.com, hotels.com, or priceline.com which is where I got some of my information. Properties in the Busch Gardens area are generally cheaper but they are not especially convenient. This is the slow time of the year and Williamsburg had the lowest occupancy rate for its hotels in the state a few years ago so if the price is not right, keep looking. Do not assume that the price I have quoted is in stone.)

___ would like to go on the tour of Williamsburg Botanical Garden at 2:00 pm or shortly after the conclusion of the board meeting. You may include others in your party. Please give a number in the blank for planning purposes.
